

District 69 Family and Friends:

The holidays are quickly approaching and once again our school district would like to assist families in need. In the past, we have collected food items for this drive to help give a little extra to these families. All families are in the Metamora Township High School District.

This year the committee is asking for monetary donations to assist with this endeavor. They will be using the money to purchase staple items for families in need, making the process more efficient and ensuring the baskets are all equal.

We are asking teachers, students, and staff members to help us reach our goal. Any donation amount is appreciated...NO amount is too small! Each classroom will keep track of money donated and the winning class in each building will earn a pizza party.

Checks for donations can be made out to the *Community Holiday Basket Fund*. We will be accepting cash and/or check donations through Monday, November 20th.

Thank you in advance for your generosity in helping us help local families in need! Please don't hesitate to contact us with any questions you may have.
