

Get a Beautiful Weed-Free Lawn and Support the Germantown Hills Athletic Association at the same time!

Community Lawn Care is a locally owned, professional lawn care company. Our services consist of regularly scheduled applications of fertilizer, weed control and, where appropriate insect control. CLC's programs are custom designed to fulfill the needs of turf grasses in our area and our technicians are trained and licensed.

The Community Lawn Care Difference

We rely on local non-profit organizations to help us market our services. In return for their help, a portion of every dollar we make goes to support these worthwhile groups. Community Lawn Care offers a valuable, high quality product at a very competitive price. We guarantee that you'll get a thicker, healthier, weed-free lawn at a price comparable to other lawn care companies in your area, plus, the satisfaction of knowing that 10% of your money is being donated, on your behalf, to the GHAA.

The CLC Total Satisfaction Guarantee

If at anytime you're not totally satisfied with the results of our lawn care program, we'll continue to work on your lawn until you are satisfied, or we'll refund the amount of your last application.
