What to Expect...

The Spanish students and I will be offering a Spanish camp to your child focusing on Spanish grammar, vocabulary, and expressions. The students will come prepared with games, activities, lessons, and energy to help your child learn Spanish. For the older students, we know that several schools are already teaching Spanish; therefore we plan to build upon their current understanding by providing them with opportunities to speak and use the language. We will have a party on the last day of class with a piñata, crafts, and games for everyone to enjoy! We are extremely excited and look forward to teaching your child. If you have any questions, feel free to contact me, Erinn Ambrosch at eambrosch@mths.us.
