

Rollerblading

It's rollerblading time! Each year Skatetime comes with skates so the 6th, 7th and 8th graders can rollerblade for one week in December. We will be skating December 6-13 in the WEST gym/MPR during PE class each day.

The cost is \$9.00 per student. The permission slip with \$9 needs to be turned in no later than 3:00 pm November 21st. I will be sending in the skate order to Skatetime at that time. (The skates are provided by Skatetime only.)
