

PAWW SWIM CLUB

Peoria Area Water Wizards

We offer evaluations for training group placement and a FREE two-week trial period before joining our club.

Peoria Area Water Wizards (PAWW) is registered with Illinois Swimming and USA Swimming. We are a year-round competitive swim team offering the finest professional technique instruction and coaching for all ages and abilities. The goal of our team is to provide every member an opportunity to improve their swimming skills and achieve success at their level of ability. We focus on efficient stroke mechanics at the age group level. As swimmers develop from age group to senior swimming, they will have a firm foundation of efficient strokes upon which they can continue to build conditioning and speed factors.
