Dear Parent,

In order that our school may remain in compliance with the compulsory attendance laws of the State and Title VI of the Civil Rights Act of 1964, it will be necessary for you to sign the form below in accordance with Public Act 79-961 of 1975 regarding the loan of textbooks.

In other words, we are able to receive money from the government to purchase textbooks. By using this money, we are able to defray the rental cost for textbooks at our school. However, to remain in compliance with the laws, we must have each parent sign a form requesting the loan of these textbooks to their son or daughter.

GERMANTOWN HILLS DISTRICT #69 Student Request for the Loan of Textbooks

I hereby request the loan of secular textbooks in accordance with Public Act 79-961 of 1975. I understand that this request will remain valid as long as my son/daughter _____ is enrolled in Germantown Hills School and that I may at any time withdraw this request.
