Your 8th Grade Video!

The annual 8th Grade Graduation Video is currently under production! This 30-minute trip down memory lane will premiere during the graduation ceremony on Thursday, May 18. (There will also be a bonus "Outtakes" portion that will not be shown during graduation.) You may reserve your copy by returning your PAID order to me no later than Monday, May 15.

All pre-orders received by May 15 will be available to pick up at graduation. I will have a table set up in the lobby before and after the ceremony. (If you forget to pick up your copy, they will be in the junior high office for you on Friday.)

I will take orders at graduation. Copies ordered at graduation will be ready by 3 p.m. Friday, May 19. **You must pay when ordering.**

DVDs are \$15 per PRE-ORDERED copy. Copies ordered the night of graduation will be \$20. All profits raised from the sale of the graduation DVD are added to the 8th grade class account to help defray the cost of the annual Six Flags trip. I personally take no money. The video is my gift to the class every year. I've thoroughly enjoyed your children all these years at GHMS, and wish them all the best!

This order form, WITH PAYMENT, must be returned to Mrs. Wilmarth no later than Monday, May 15th in order to have a copy reserved for you on graduation night. Checks should be made out to "Germantown Hills Middle School".
